Hi Will,

I don't expect today's meeting to be long. EFED got the confirmation of numbers from BEAD on Thursday of last week, so they are still working on them for HED.

Ex. 5 Deliberative Process (DP)

I will follow up after the meeting as well.

Thanks.

Debra

Hi Debra,

Will try to join meeting at 11 but have been having computer issues and may not be able to.

I have not received the ground water numbers from EFED yet but have the surface water #s.

Ex. 5 Deliberative Process (DP)

Please let me know if this still holds after today's meeting. Thanks,

Will
